(1) A provisional Category I Assisted Living Administrator license shall be issued to Board approved applicants who pass Section A of the Category I examination. This provisional license qualifies the licensee to temporarily administer an assisted living facility, as defined in Rule No. 135-X-2-.01 (e) of these Rules and Regulations, until the provisional license expires and becomes void nine (9) months from the date issued by the Board, or the provisional license becomes void upon the denial of an initial application. A provisional Category I licensee who completes the required classroom training as set forth in Rule No. 135-X-5-.01 (2)(a) of these Rules and Regulations and passes Section B of the Category I examination, shall be issued a Category I Assisted Living Administrator license. This license shall qualify the licensee to administer an assisted living facility and must be renewed annually.

(2) A provisional Category II Assisted Living Administrator license shall be issued to Board approved applicants who pass Section A of the Category II examination. This provisional license qualifies the licensee to temporarily administer an assisted living facility or a specialty care assisted living facility or a combination facility, as defined in Rule No. 135-X-2-.01 (e) and (o), until the provisional license expires and becomes void nine (9) months from the date issued by the Board, or the provisional license becomes void upon the denial of an initial application. A provisional Category II licensee who completes the required classroom training as set forth in Rule No. 135-X-5-.01 (2)(b) and passes Section B of the Category II examination, shall be issued a Category II Assisted Living Administrator license. This license shall qualify the licensee to administer an assisted living facility or a specialty care assisted living facility or a combination facility and must be renewed annually.

(3) Every individual who holds a valid current Category I or Category II Assisted Living Administrator license issued by the Board under this Chapter shall

immediately upon issuance have the right and privilege of acting and serving as an assisted living administrator and using the abbreviation "A.L.A." after their name. Thereafter, the individual shall annually be required to make application to the Board for a renewal of license and to report any facts requested by the board on forms provided for that purpose. All license renewals will be issued and are due on the last day of the month in which the license expires.

(4) Thirty (30) days prior to the renewal date of the license, the Board shall issue a letter and application for renewal of license to the licensee. Upon making an application for a renewal of license, the individual shall pay an annual fee as determined by the Board, and at the same time shall submit evidence satisfactory to the Board that during the year immediately preceding application for renewal, he or she has complied with the requirements of the Board concerning the continuing education of an assisted living administrator as provided in Rule No. 135-X-6-.01, paragraph (1) of these Rules and Regulations. The required continuing education hours must be completed by the renewal date of the license.

(a) Any person currently employed at an assisted living facility is authorized to apply for license renewal only if said facility that employs the licensee is licensed by the Alabama Department of Public Health.

(5) Upon receipt of the application for renewal of license, the renewal fee, and the evidence required with respect to continuing education, the Board shall issue a letter and renewal card to the assisted living administrator.

(6) Failure to secure an annual renewal of a license based on a failure to meet the continuing education requirements shall result in the expiration of the license. An expired license may not be "reactivated". All persons holding an expired license shall be required to submit a new application and follow all procedures for licensure of a new applicant. In addition, any applicant whose license has previously expired is subject to payment of a reapplication fee.

(7) A licensee who complies with the continuing education requirements but does not renew within ninety (90) days following its due date shall be deemed delinquent and may renew within the ninety (90) day period by paying a late renewal fee established by the Board. A license that is not renewed within the ninety (90) day period shall be deemed expired, and is subject to reapplication as provided in Rule No. 135-X-7-.01, paragraph (6) of these Rules and Regulations.

(8) A licensee who holds a current license and who is not practicing as an assisted living administrator may place that license into an "inactive status" upon written application to the Board. Any licensee whose license has been placed on inactive status may not engage in the practice of assisted living administration. A licensee whose license is on an inactive status who wishes to "reactivate" that license may do so by making application to the Board. The applicant shall attach proof of having completed twice the annual hours' requirement of approved continuing education credits, (twenty-

four (24) credits for Category I Assisted Living Administrator license and thirty-six (36) credits for Category II Assisted Living Administrator license, twelve (12) of which shall be on cognitive impairment and/or dementia care), within one year prior of making application for license reactivation, and shall pay a reactivation fee established by the Board. A licensee may not have his/her license in inactive status for more than five years. After five years in inactive status, the license automatically expires.

(9) Only an individual who has qualified as a licensed and registered assisted living administrator who holds a current license shall have the right and privilege of using the title "Assisted Living Administrator", and have the right and privilege of using the abbreviation "A.L.A." after their name. No other person shall use or shall be designated by such title or such abbreviation or any other works, letters, signs, cards, or device tending to or intended to indicate that such person is a licensed assisted living administrator.

(10) A person who has a license in good standing, and continuously maintains such license, as a licensed nursing home administrator, or who is an administrator/chief executive officer of an acute care hospital, shall be exempt from the licensure requirement herein, if such person, at the time of application, has responsibility for administration of an assisted living facility subject to the following conditions:

(a) If the person wishes to be issued an assisted living administrator license, he/she shall pay an administrative fee as determined by the Board and document initially and annually thereafter the good standing of the nursing home administrator license or their continued employment as an administrator/chief executive officer of an acute care hospital.

(b) Any assisted living administrator license issued to a person who has a license in good standing, and continuously maintains such license, as a licensed nursing home administrator or who is an administrator/chief executive officer of an acute care hospital and has responsibility for administration of an assisted living facility shall become void if the requisite nursing home administrator license becomes void or if the person no longer is the administrator/chief executive officer of a hospital.

(c) Any assisted living administrator license issued according to paragraph (9) of this Chapter shall become "inactive" as described in paragraph (7) of this Chapter if the licensee no longer has responsibility for administration of an assisted living facility. After twelve (12) months in "inactive" status, the assisted living administrator license shall expire and become void.

(d) If such person as described in paragraph (9) does not wish to be issued an assisted living administrator license, he/she shall initially and annually provide the Board documentation of the good standing of their nursing home administrator license or their continued employment as an administrator/chief executive officer of an acute care hospital.

(e) If such person according to paragraph (9)(d) of this Chapter is unable to provide documentation of the good standing of the nursing home administrator license or employment as an administrator/chief executive officer of an acute care hospital, and continues to have responsibility for administration of an assisted living facility, he/she shall be subject to the application for examination and licensure in Rule No. 135-X-5 of these Rules and Regulations; provided that such person shall not continue to manage an assisted living facility or specialty care assisted living facility unless he/she receives a license issued by this Board, or provides written evidence of good standing as a licensed nursing home administrator by the Board of Examiners of Nursing Home Administrators, or provides proof of employment as an administrator/chief executive officer of an acute care hospital.

(11) The Board shall maintain a file of all applications for licensure that includes the following information on each applicant: residence, name, age, the name and address of his/her employer or business connection, the date of application, educational and experience qualification, action taken by the Board, serial numbers of licenses issued to the applicant, and the date on which the Board acted on or reviewed the application.

(12) The Board shall maintain a list of current licensees of the Board, and shall furnish the list on demand to any person who pays a fee established by the Board. The State Department of Public Health and other state agencies with a direct need shall be provided copies at no cost.
